- Third party details if the sewer is proposed to be laid or connected off site.
- Any other relevant information.

F Fees/charges

You need to include £500 as initial deposit. Cheques should be made payable to Wessex Water Services Ltd. This will be taken into account when advising further charges.

On receipt of the application Wessex Water will determine the suitability of the case, and advise you which option is appropriate. Fees and charges will be confirmed in an offer letter, with further details about payment.

Option 1

Wessex Water will provide an estimate to carry out the works.

Option 2

You will be allowed to carry out the works using an approved contractor. We will charge fees and you will provide a returnable deposit as surety.

Option 3

Minor sewer diversion details and fees will be advised.

PLEASE NOTE

Failure to include any of the above will be deemed as an incomplete application and may result in the application being delayed or returned. By signing this application, you are not automatically granted approval and no works should start until approval has been granted. (If the application is refused, any balance of deposit or other payments will normally be refunded).

I confirm to the best of my knowledge the above information to be complete and correct.
